Fund Raiser at the Blue Water Grill

On Wednesday November 4 The Blue Water Grill will graciously donate 10% of the days sales to the MAL. They will be open for lunch and dinner from 11:30 to 9 PM. Please plan on enjoying lunch or dinner or both at the Blue Water Grill on that day to benefit the Art League. In addition to their generous donation they will be offering daily specials, ½ price bottles of wine and ½ price appetizers with an entrée.

We will also be having a Board of Directors meeting that afternoon at 3:30. Please feel free to attend and then enjoy dinner at the Blue Water Grill.

Holiday Luncheon Raffle

Our Holiday Luncheon will be held at the Blue Water Grill on December 6 at noon. The cost is \$20. Please try to join us and then visit the Gallery for the Middle School Art Show and Contest reception.

Also at that time we will raffle off two (2) stunning framed pieces of art donated by our own Maureen Ickrath and Beth Collard. Maureen's is a photo entitled "Addysea Kayak" and Beth's is called "Moonstruck Sunflower".

Winter Schedule

The Gallery will be closed for January and February and will reopen in March with a new members show. However, the Thursday morning painting group will continue to paint through the winter.

Gallery Docents

Since we have initiated the use of "regular" docents we have eliminated the need to call and request volunteers on a monthly basis. This seems to be working well and the group of volunteers has agreed to continue their service to the Art League. However, at the last BOD meeting it was suggested that we staff the Gallery with two (2) docents. This would provide additional help with Gallery duty as well as the performance of other Galley functions. Naturally we will require additional volunteers and we ask that you consider offering your services.

Fall Art Show Results

The Fall Art Show and Contest reception was held on Saturday October 10. If you missed it you can visit the Gallery through the end of the month to view the entries. The following awards were presented:
